Thanks for letting me know. It is the first trial I have scheduled for August, so I am available that day.

Greetings, Sonja. Unbeknownst to me, Judge Leroy had taken personal jurisdiction over [REDACTED] case. As it so happened, Judge Leroy was not here this morning. It's been rescheduled for 8/24/2010. I'll send out subpoenas soon. Just thought I'd let you know. Thanks,

Tony

I talked with the ADA in Belchertown for the case scheduled for May 3rd yesterday afternoon and found out the I will not be needed, so there should be no conflict with the [REDACTED] trial scheduled for the same day. Would you like me to be on call? Thanks.

As of right now, I already have a district court case scheduled in Belchertown on May 3rd. I'm not sure how likely it is to actually go, but I will keep you informed if I hear anything about it.

Rebecca,

Sorry for the delay in my response. After reviewing the file and finding the certs, it looks like it is in indeed Sonja's case (there is a co-defendant, [REDACTED]). The cert numbers are: [REDACTED] Sorry for the confusion. I'm going to cc this to Sonja, hoping she will be available then. Thanks for all your help.

Sonja -- just respond to let me know that you've received this. Thanks!

ADA Gulluni,

I received a summons for the above case scheduled for trial on May 3<sup>rd</sup>. There are no Drug certificates numbers on the summons that I would need to look up my notes. I tried looking up the defendant's name in our system with no result. My co-worker Sonja recognizes the defendant's name as maybe one of her cases. If you could provide me with the drug certificate numbers we can verify whose case it is. Thank you.
